Becoming Disciples of Jesus and Stewards of God's Gifts

## 2nd Sunday in Ordinary Time January 18 & 19, 2025

**There are different kinds of spiritual gifts but the same Spirit; there are different forms of service but the same Lord;**

**there are different workings but the same God who produces all of them in everyone.**

**1 Corinthians 12:4-6**

### Maybe ordinary is not so ordinary...

As we enter Ordinary Time after the Advent and Christmas Seasons, one would hope to be able to coast for a while in an ordinary manner. And yet...

Just a typical wedding at Cana develops into Jesus' first miracle of changing water into wine. Isaiah speaks a truth as he says, "For Zion's sake I WILL NOT BE SILENT!" St. Paul in 1 Corinthians proclaims that there are many spiritual gifts and forms of service and yet the same God who produces all of them. There is NO ordinary in any of this and it is Ordinary Time!!!

This has me reflecting on a few things that are active in our world today.

The first is the death of President Jimmy Carter. From what seemed like a quiet, unassuming man, there came forth spiritual gifts and a servant heart that is still being felt today after his many years of "retirement." Who says politicians need to be loud clangs that bear little fruit in the real world.

The second is the extraordinary fire situation in the Los Angeles area. Millions of people were living their ordinary lives. One could never predict this type of situation and yet it is now very real to so many people who lost their lives and/or their homes.

The third is the celebration of Martin Luther King Day this Monday. Out of the "ordinary" experience of a gentle man of God, came a storm of dreams and reality checks for our society. Isaiah would not be silent for the good of God's people and MLK followed in the footsteps of this great prophet. How do we unshackle the binding racial prejudices that divide instead of unite. We are stuck in the messy, unjust ordinariness that is not of God's salvation. That is not God's dream for us. Can we hear the voice of another person of a different skin color or gender and still be able to hear the same Spirit dwelling within all of us? That is my dream.

Breaking through our ordinary ways of seeing reality is the only way we will truly build the reign of God upon this earth. Our Baptism calls us to be one with all who are of God.

Ordinary Blessings,  
Fr. Tom

### Save Money—and the Planet!

from the Care for Creation Committee

Did you know that lowering your thermostat by just one degree can save you money on your energy bill? The Department of Energy estimates that you save about 1% for each degree you lower your thermostat for just 8 hours per day—and by lowering your thermostat 7–10 degrees, you can save as much as 10% per year! This can also lead to savings in the long run, as reducing the workload on your HVAC system may result in lower maintenance and repair costs.

Lowering the thermostat isn't just good for your wallet—it's also good for the planet, as reducing energy consumption reduces the greenhouse gas emissions that contribute to climate change.

Looks like it's time to put on another sweater!
